## MIRROR TV

### The Luxurious Choice

#### What is a Mirror TV?

A Reflectel Mirror TV isn't simply a television or a mirror, it's both! When the TV is off it is also a decorative mirror that adds beauty to any room.

#### How do Mirror TVs work?

It works exactly like a regular TV. You use your remote to turn on and turn off.

#### What glass is used?

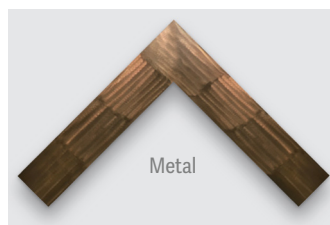

Reflectel Mirror TV glass is the highest optical quality, beamsplitter, Low Iron/Water White glass. We safely place over your TV and our custom designed frames are fabricated around it.

#### What frames work?

Reflectel has hundreds of choices or we can work with your millworker
