

FRAMELESS MIRROR TV Sleek & Crystalline

Frameless Mirror TVs work without a frame! They are the sleekest and most minimal design we offer. You can conceal a Sony, LG, or Samsung television and know one will know.

This no-frame option seamlessly conceals your TV in totally unexpected places. With our Design Services you can see if you prefer your bathroom TV on the left, right, or center.

Reflectel can make full mirror glass walls in a bathroom, spa or gym. Read our Blog on how to transform your plain vanity mirror,with our bathroom Mirror TV, and make your bathroom a luxury experience with Reflectel Spa Glass.
