

MODERN FIREPLACE MEASUREMENTS FORM

please use inches

The diagram shows a fireplace wall with a central fireplace box. Four measurement points are indicated with green arrows and labels:

- A:** A vertical arrow on the right side of the wall, extending from the floor to the ceiling, indicating the height of the wall.
- B:** A horizontal arrow across the width of the fireplace wall, indicating the width of the wall.
- C:** A horizontal arrow across the width of the fireplace box, indicating the width of the box.
- D:** A vertical arrow on the right side of the fireplace box, indicating the height of the box.

Labels A, B, C, and D are placed in small green boxes at the end of each arrow.

A. _____
FLOOR TO CEILING
(OR CROWN MOLDING)

B. _____
WIDTH OF FIREPLACE WALL

C. _____
WIDTH OF FIREPLACE BOX

D. _____
HEIGHT OF FIREPLACE BOX
